OLD PAPERS.

Good conditioned old papers for sale at this office at only 40 cents per hundred.

CITY IN BRIEF.

Mrs. J. M. Judah has been appointed Indiana Commissioner at the New Orleans Exposition.

Special Officer William Gerber wears a gold badge, presented to him by the officers of the Zoo.

The Peoples Building, Loan and Saving Association of Boonville has filed articles of incorporation. Capital stock, \$100,000.

Major F. P. Brooks, formerly of this city, now engaged in orange culture in Florida, has forwarded some handsome specimens of this year's crop to Indianapolis friends.

The County Commissioners have fixed the rate of taxation for county purposes at fifty-five cents, notwithstanding the fact that it is claimed by many that the old statute limiting taxation to twenty-three cents has never been repealed.

A lady in the western part of the city attempted suicide with an opiate last night at 11 o'clock. Her physician was called and a colored man was sent out for the usual emetic—sulphate of zinc and mustard. He refused to tell where the affair occurred, and

from his manner it was evident that studied efforts were being made to hush the matter and keep it out of the papers. Owing to the lateness of the hour and the press of other matter, no attempt was made to hunt it down.

Secretary Elder, of the State Board of Health, has received information of the appointment of new health officers by the County Boards, as follows: Jefferson County, J. A. Murritt; Warren, Justin Ross; Decatur, R. Thomas.

There are in circulation reports that the Cleveland Club wants \$25,000 for its League franchise. Reliable information has been received by the Globe-Democrat that it has been priced to the Indianapolis Club at \$3,200.—St. Louis Globe-Democrat.

The annual meeting of the managers of the Woman's Exchange, for the election of officers, will be held on Thursday, the 8th inst., at 3 p. m., at the residence of Mrs. Rockwood, 276 North Illinois street. Every member is requested to be present.

Somebody stole a five-gallon cask of syrup from Kreitline's West Washington street grocery yesterday evening and hid it in the alley that runs in the rear of the Zoo Theater. Tom Roberts found it and took it back to the store. The head of the cask had been kicked in.

Stanley Tindler, clerk at Astley's drug store, was badly burned yesterday. He was opening a bottle of creosote, which did not yield readily to the pressure. The cork came out with a jerk, and the fluid was dashed into his eyes and face. He was suffering severely last night.

In consequence of the written declination of James F. Failey of the position of Metropolitan Police Commissioner, the position is still unfilled. There are a number of candidates for the position, but until the Governor calls the State officers together nothing can be done. The election, however, will be held at an early date.

The semi-annual apportionment of school revenue has been fixed by this Marion County's apportionment is \$55,433. The school children numbering 45,281. In the State there are 722,851 school children, and the per capita expense is \$1.19. The total apportionment, including sums added to several counties to correct deficiencies of the former apportionment, is \$864,206.25.

PERSONAL MENTION.

Dan W. Krisher, of North Manchester, arrived on the late train last night.

Will A. Tuley, manager of French Lick Springs, is in the city and is a guest of the Grand.

John H. Piercy, Esq., of Greencastle, was in the city yesterday looking as bright as a new coined silver dollar.

Jos. P. Clemens, Deputy Auditor of Perry County, is in the city the guest of John W. Minor, 242 North West street.

Wardens Murdoch and Howard were among the arrivals yesterday, two of the cleverest gentlemen in Indiana.

Colonel Wilson, of the Wabash Times, arrived in the city last night. He will remain until after the Legislature convenes.

George B. Robson, Esq., the vigorous and efficient Chairman of the Democratic Committee of Henry County, called at the Sentinel office yesterday.

J. S. Eagle, Winchester; J. N. Turner, Marion; J. C. Wilson, Logansport; C. B. Stuart, Lafayette; E. D. Bannister, Lawrenceburg, and W. D. Fulke, Richmond, are among the guests at the Denison.

P. W. Raleigh, of Evansville; S. A. Sheaff, of Jay County, candidate for Clerk of the House; C. M. Drake, of Jay County, candidate for Principal Secretary of the Senate; Hon. William Kreusch, of Covington; Hon. Valentine Zimmerman, of Rochester; Senator from Fulton and Marshall Counties; Hon. Lemuel R. Haggrave, of Petersburg; Colonel John I. Williams, of Lafayette; Hon. George Majors, of Reamington; Hon. S. S. Harrell, of Brookville, and Hon. A. T. McGoonney, of Portland, were callers on the Sentinel yesterday.

Senator Faulkner dropped in "home-like" to see us yesterday. He was in Washington walking on Pennsylvania avenue when Blaine and Logan first met after their defeat. Blaine was rattling down the avenue in a very stylish turnout with two liveried colored servants—driver and footman—when Logan walked out into the middle of the street, and as the dashing team came near him he raised his arm and cried out in that deep stentorian voice of his, "Whoa Burchard!" This stopped the team, and after a few moments conversation between the prominent gentlemen, the dazzling equipage swept down the avenue.

THE RINKS.

The Speed Contest at the Wigwam—Mr. Cutter the Winner—The Coming Event at the Meridian—The Races at the College Avenue.

The seats of the Wigwam Rink were fairly packed last night by spectators to witness the second of the series of speed contests between the famous O'Leary, the champion heel-and-toe walker of the world, and Mr. A. B. Cutter, the latter on skates. The distances were one and one-half mile for Mr. O'Leary and two miles for Mr. Cutter. From the commencement of the race it was evident that each intended to do good work, and as the contestants "warmed up," frequent bursts of speed were shown that would have done credit to a quarter-horse. The race was a close one throughout, and Mr. Cutter was the victor by only one-fourth of a lap. Time for the winner, 8:45; for Mr. O'Leary, 8:52. A Sentinel man talked with Mr. O'Leary after the race, in the course of which he stated that Mr. Cutter was the fastest skater he had ever walked against; that he had never before been beaten under the same conditions, and that the floor was the best track he had ever used. By the way, the time of last night's contest was the best for two miles ever made in this city. The race will be repeated this evening with the difference in distances equalized. Great preparations are being made to expect. Lovers of this class of sport should avail themselves of this last chance to witness the famous walk.

Do not forget to reserve your seats to the fancy dress carnival which takes place at the Meridian Rink next Friday evening. The box-sheet is now open, and seats are going fast. Great preparations are being made to make this the event of the season in the carnival world.

Manager Banister has prepared a very interesting programme for the amusement of the patrons of College Avenue Rink this week, consisting of a three-mile speed race between Chester Spain and Ed Stout, of skatolar fame which will occur this evening. On Friday evening a contest for a medal to be given to the best amateur skater and trick skater of Indianapolis, which will no doubt be interesting. Lovers of roller skating should not fail to see the fun.

The following challenge has been handed in for publication:
I, Walter Dean, hereby challenge Ed Stout to skate me a two (2) mile race at the Wigwam Rink for \$25.
